

THE 3RD
ANNUAL

DataCentric
Architecture Forum

Detailed Agenda

February 1-3, 2021

DAY 1 | Data-Centric Focus

All times are Mountain Standard Time (MST).

When	Where	What	Presenters	Format
8:00 AM – 9:00 AM	Event Hall	Start here, then take a look around; check the Event Buzz, join a social room (without donuts and coffee)		
9:00 AM – 10:00 AM	Auditorium	Introduction: What is Data-Centric? (Ideals, Goals, Concepts)	Dave McComb	Presentation
10:00 AM – 10:30 AM	Auditorium	How to Apply Data-Centric Values: Lowering Barriers to Entry	Alan Morrison & Mark Ouska	Presentation
10:30 AM – 11:30 AM	Sessions – Q & A Session Room 1	How to Apply Data-Centric Values: Lowering Barriers to Entry	Alan Morrison & Mark Ouska	Q & A
10:30 AM – 10:35 AM	Auditorium	STASH Global	John Dundas	Vendor Video
10:35 AM – 11:05 AM	Auditorium	Oncology Translational Medicine Journey to Become Data-Centric	Tom Plasterer and Ben Gardner	Presentation
11:05 AM – 12:05 PM	Sessions – Q & A Session Room 2	Oncology Translational Medicine Journey to Become Data-Centric	Tom Plasterer and Ben Gardner	Q & A
11:05 AM – 11:10 AM	Take a break! Explore! But not for too long.			
11:10 AM – 11:20 AM	Auditorium	Zazuko	Adrian Gschwend	Vendor Spotlight
11:20 AM – 11:55 AM	Social/Networking	Lunch & Networking		
11:55 AM – 12:25 PM	Auditorium	Develop a Consortium - Effectively Govern your Ontology and Knowledge Graph Deployment	Mike Pool	Presentation
12:25 PM – 1:25 PM	Sessions – Q & A Session Room 1	Develop a Consortium - Effectively Govern your Ontology and Knowledge Graph Deployment	Mike Pool	Q & A
12:25 PM – 12:35 PM	Auditorium	Lacibus Ltd – Enabling Data Products	Chris Harding	Vendor Spotlight
12:35 PM – 12:40 PM	Take a break! Explore! But not for too long.			
12:40 PM – 1:35 PM	Auditorium	How to Make the Data-Centric Transformation (Lessons Learned)	Ashleigh Faith, Jay Yu, Mark Hall (Moderator: Dave McComb)	Panel
1:35 PM – 1:40 PM	Auditorium	Eccenca	Marcel Froehlich	Vendor Video
1:40 PM – 1:50 PM	Take a break! Explore! But not for too long.			
1:50 PM – 2:00 PM	Auditorium	Factgem	Clark Richey	Vendor Spotlight
2:00 PM – 2:30 PM	Auditorium	Business Value of Data-Centric Thinking	Clark Richey	Presentation
2:30 PM – 3:30 PM	Sessions – Q & A Session Room 1	Business Value of Data-Centric Thinking	Clark Richey	Q & A
2:30 PM – 2:35 PM	Auditorium	Cinchy	Dan Demers	Vendor Video
2:35 PM – 5:30 PM	Vendor Hall	Explore the vendor hall and visit their virtual booths!		

DAY 2 | Technology Day

All times are Mountain Standard Time (MST).

When	Where	What	Presenters	Format
8:00 AM – 9:00 AM	Event Hall	Start here, check the latest Event Hall message, visit Event Buzz, wander with some coffee		
9:00 AM – 9:30 AM	Auditorium	Extending RD to Include Time and Truth	Brian Platz	Presentation
9:30 AM – 10:30 AM	Sessions – Q & A Session Room 1	Extending RD to Include Time and Truth	Brian Platz	Q & A
9:30 AM – 9:35 AM	Auditorium	iNovex	Stephen Kahmann	Vendor Video
9:35 AM – 10:05 AM	Auditorium	Entity Event Modeling to Simplify Your Knowledge Graph Design	Jans Aasman	Presentation
10:05 AM – 11:05 PM	Sessions – Q & A Session Room 2	Entity Event Modeling to Simplify Your Knowledge Graph Design	Jans Aasman	Q & A
10:05 AM – 10:10 AM	Take a break! Explore! But not for too long.			
10:10 AM – 11:10 AM	Auditorium	SemOps (Continuous Deployment of Ontologies)	Katariina Kari & Mark Wallace	Presentation
11:10 AM – 12:10 PM	Sessions – Q & A Session Room 1	SemOps (Continuous Deployment of Ontologies)	Katariina Kari & Mark Wallace	Q & A
11:10 AM – 11:15 AM	Take a break! Explore! But not for too long.			
11:15 AM – 11:25 AM	Auditorium	Franz, Inc.	Craig Norvell	Vendor Spotlight
11:25 AM – 12:00 PM	Social/Networking	Lunch & Networking		
12:00 PM – 12:30 PM	Auditorium	Data Cleansing at Siemens: From Dark Data to Actionable Information	Thomas Hubauer	Presentation
12:30 PM – 1:30 PM	Sessions – Q & A Session Room 1	Data Cleansing at Siemens: From Dark Data to Actionable Information	Thomas Hubauer	Q & A
12:30 PM – 12:40 PM	Auditorium	Fluree	Kevin Doubleday	Vendor Spotlight
12:40 PM – 1:10 PM	Auditorium	Weaving Data-Centric Thinking into Enterprise Architecture: Intuit's Knowledge Graph Journey	Jay Yu	Presentation
1:10 PM – 2:10 PM	Sessions – Q & A Session Room 1	Weaving Data-Centric Thinking into Enterprise Architecture: Intuit's Knowledge Graph Journey	Jay Yu	Q & A
1:10 PM – 1:15 PM	Auditorium	STASH Global	John Dundas	Vendor Video
1:15 PM – 1:20 PM	Take a break! Explore! But not for too long.			
1:20 PM – 1:30 PM	Auditorium	Oxford Semantics Technology	Mark Wood	Vendor Spotlight
1:30 PM – 2:00 PM	Auditorium	A Data-Centric Architecture for Ensuring the Quality of Scientific Data	Mark A. Musen	Presentation
2:00 PM – 3:00 PM	Sessions – Q & A Session Room 2	A Data-Centric Architecture for Ensuring the Quality of Scientific Data	Mark A. Musen	Q & A
2:00 PM – 2:30 PM	Auditorium	Architectural Data Sharing Models for Large-scale, Security-oriented Biomedical Collaborations	Richard Sinnott	Presentation
2:30 PM – 3:35 PM	Sessions – Q & A Session Room 1	Architectural Data Sharing Models for Large-scale, Security-oriented Biomedical Collaborations	Richard Sinnott	Q & A
2:30 PM – 2:35 PM	Auditorium	Eccenca	Marcel Froehlich	Vendor Video
2:35 PM – 5:30 PM	Social/Networking	Happy Hour and Networking!		

DAY 3 | Future of Data-Centric

All times are Mountain Standard Time (MST).

When	Where	What	Presenters	Format
8:00 AM – 9:00 AM	Event Hall	Start here, then open networking, but do bring donuts and coffee		
9:00 AM – 9:30 AM	Auditorium	Semantic Academics and Industry Opportunities – Dealing with Data Quality Issues	Michael Gruninger	Presentation
9:30 AM – 10:30 AM	Sessions – Q & A Session Room 1	Semantic Academics and Industry Opportunities – Dealing with Data Quality Issues	Michael Gruninger	Q & A
9:30 AM – 9:35 AM	Auditorium	Cinchy	Dan Demers	Vendor Video
9:35 AM – 10:05 AM	Auditorium	Amgen’s Enterprise Data Fabric – A Durable Data-First Approach	Dan Gschwend	Presentation
10:05 AM – 11:05 PM	Sessions – Q & A Session Room 2	Amgen’s Enterprise Data Fabric – A Durable Data-First Approach	Dan Gschwend	Q & A
10:05 AM – 10:10 AM	Take a break! Explore! But not for too long.			
10:10 AM – 10:40 AM	Auditorium	BBC Story of Using Linked Data	Max Leonard & Hannes Ricklefs	Presentation
10:40 AM – 11:40 PM	Sessions – Q & A Session Room 1	BBC Story of Using Linked Data	Max Leonard & Hannes Ricklefs	Q & A
10:40 AM – 10:45 AM	Take a break! Explore! But not for too long.			
10:45 AM – 10:55 AM	Auditorium	Pool Party	Andreas Blumauer	Vendor Spotlight
10:55 AM – 11:30 AM	Social/Networking	Lunch & Networking		
11:30 AM – 12:00 PM	Auditorium	Agile Data Governance	Laura Madsen	Presentation
12:00 PM – 1:00 PM	Sessions – Q & A Session Room 1	Agile Data Governance	Laura Madsen	Q & A
12:00 PM – 12:05 PM	Take a break! Explore! But not for too long.			
12:05 PM – 12:15 PM	Auditorium	Stardog	Rob Harris	Vendor Spotlight
12:15 PM – 1:45 PM	Sessions – Working Session Room 1	Ontology Design by Enriching Taxonomies	Heather Hedden & Alexis Dimitriadis	Working Session
	Sessions – Working Session Room 2	An Agile Approach to Weaving the Knowledge Graph	Marcel Froehlich & Michael Uschold	Working Session
	Sessions – Working Session Room 3	Expressing Data Constraints Semantically	Steve Steward	Working Session
1:45 PM – 1:55 PM	Auditorium	modom.io	Stefan Summesberger	Vendor Spotlight
1:55 PM – 2:25 PM	Auditorium	Overcoming Application-Centric Inertia	Dave McComb	Presentation
2:25 PM – 2:30 PM	Auditorium	iNovex	Stephan Kahmann	Vendor Video
2:30 PM – 3:30 PM	Auditorium	The Future of Data-centric	Brian Platz, Sonal Goyal, Kerrie Holley (Moderator: Alan Morrison)	Panel
3:30 PM – 5:30 PM	Social/Networking	Happy Hour and Networking!
